OMORI KURATAU COMMUNITY TRUST

MINI MINUTES - OCTOBER 2020

Welcome to the first of many Mini Minutes from the OKCT Committee!

As a new committee we are looking at ways of informing not only residents but also home owners of the area about our very special resource – the Omori Kuratau Community Hall which holds and hosts a number of events each month. Some of this might be “old news” to regulars, so we do apologise.

The Trust was setup many years ago to manage and maintain our lovely Community Centre that was built by members of the community. The Community Centre has an ongoing operating cost (approx. \$15,000 per year) and as such we need to raise funds to cover those costs by running events, hosting weddings, business hires, local clubs and other community activities such as our pot luck dinners. Additionally our annual summer programme of events also helps raise funds to cover those operating costs.

We would like to encourage more members to become “Friends of the Trust”. This being a group of people that are on a mailing/phone list that when they can, help out at various events. As a Friend of the Trust we are looking forward to your support in helping to run some of the events such as marshalling on the fun run or weighing in at the Fishing Competition. Additionally you may have some great ideas for events that we could organise with your support.

There is no fixed time commitment or personal costs to become a Friend of the Trust, but we hope that we can contact you to ask for your help and if you are around at the time that we can count on your support and involvement in the community activities. Please feel free to reply to this email if you can spare a little time to help.

The Committee meets on the first Monday of each month in the meeting room of the hall. Here is a quick round up of the meeting held this week;
